Ceiling Circle Display

Description:

The **Ceiling Circle Display** is a lightweight fabric hanging system designed for events and exhibitions. It features a double-sided print on flexible BiFlex material, mounted on aluminum frame. The printed graphics are fire-retardant and secured with zippers. This eye-catching display is an excellent way to advertise your location at events or exhibitions. Product available in four various diameters (150/200/300/400 cm), each in two heights (60/100 cm).
